Cattle Country Video

Dear Fellow Cattlemen;

Welcome once again to the Historic Haythorn Ranch in Arthur, Nebraska. It is our pleasure to offer over 14,000 head of feeder cattle & bred stock from some of the finest producers in the business today. We invite you to join us the evening before for a Rocky Mountain Oyster Fry sponsored by Boehringer Ingelheim at the ranch headquarters at 6:00 PM MDT. It will be an excellent time to sit and enjoy good food and conversation before the sale.

The production schedule for Cattle Country Video will continue each third Wednesday of the month, after this sale. We would like to thank all the consignors and buyers for their continued patronage throughout this summer. The staff of Cattle Country Video is currently shipping many cattle from the previous sales and our very pleased with the quality that we have been able to deliver to our buyers. Please take time to research these lots offered in our catalog and call the representative for any specific questions.

Please join us in thanking Cody Thompson for all of his consignments in the 2013 marketing year. Cody has been and instrumental part of Cattle Country Video since its conception and continues to be a leader for our company.

*Thank you for your past business and may you have a successful remainder of 2014.
Sincerely the staff of Cattle Country Video!*

ATTENTION BUYERS:

The state of entry health entry requirements are the responsibility of the buyer. The seller will supply the health certificate that is appropriate by the original state and federal law for interstate shipment. If there are any further health certificates or tests that are needed for the terminal state, it will be at the buyers demand and expense.

WATCH AND BID ON THE INTERNET

Internet viewing and bidding can be done at www.cattleusa.com. You must register prior to sale day to be able to either view or bid. Registration can be done @ www.cattleusa.com. You will receive an email confirming your registration. Each individual will have a different viewing experience as your speed depends on your internet provider. A speed test can be done at www.speedtest.net and your connection speed should be at least 800 kbts or greater.

Cattle Country Video Terms and Conditions of Auction and Sale

Every effort has been made to assure the correctness of this catalog, but all announcements from the auction block shall take precedence over the printed material.

Every buyer must be properly registered and have a buyer's number to bid and participate in auction. Participation in auction expressly means that buyer agrees to adhere to these terms and conditions of auction.

If any dispute arises between two or more bidders, the Auctioneer may immediately put the lot up for sale again and resell to the highest bidder. The decision of the Auctioneer shall be final and absolute.

The Auctioneer reserves the right to reject any and all bids and the record of sale kept by the Auctioneer and Clerk will be taken as final in the event of any dispute.

All purchases will require a \$100.00 per head part payment due and payable at the conclusion of the auction. Those buyers not present, using satellite, internet or phone, to purchase livestock will be required to wire transfer funds the following business day.

Payment upon shipment of the cattle will be as follows: If buyer is present at delivery, full payment in collected funds must be received at delivery. If buyer is not present at delivery, full payment must be received no later than the following business day in collected funds.

Acceptable payment is as follows: If the buyer is not present at delivery, payment must be received by **Cattle Country Video representative within one business day** after the cattle are received by the buyer at delivery point. All payments must be made by either wire transfer or ACH transfer. All fees incurred for wire transfer will be at the buyer's expense. In the event of multiple day shipments, payment will be required on each day's delivery. All payments will be made to **Cattle Country Video representative Custodial Account for Shipper's Proceeds**.

EXECUTION: Should **Buyer** or **Seller** not be present or available to execute the herein contract on auction day, the making of part payment by **Buyer**, or the receipt and negotiation of part payment by **Seller**, shall constitute full agreement by Buyer or Seller to the terms and conditions set forth herein. Mailing, postage prepaid, of the herein agreement to Buyer or Seller at their last known address, shall serve as full notice to Buyer and Seller of the said terms and conditions. Failure of Buyer or Seller to object in writing, facsimile transmission or first class US mail, to the terms and conditions herein, within twenty-four (24) hours after receiving notice, shall constitute notice, shall constitute a waiver on the part of Buyer or Seller of lack of notice, or agreement, to all the terms and conditions herein.

Security Agreement: In consideration of Cattle Country Video making direct payment to **Seller** on behalf of **Buyer**, **Buyer** hereby grants to Cattle Country Video a security interest in the livestock described herein, including the products and proceeds thereof; until such time as final payment of the full purchase price of said livestock is made by wire transfer of funds. Default shall exist if final payment is not received within one business day from the date **Buyer** takes possession of the livestock described herein or upon the death, bankruptcy or insolvency of the **Buyer** or upon the sale of said livestock without Cattle Country Video representative, prior written permission. Upon default, CCV representative, with or without notice, may exercise any and all rights accorded by law.

DEFAULT: In the event of failure on the part of either the Buyer or Seller (parties), to perform under the terms of this Agreement, the non-defaulting party may pursue any available remedy at law or equity including specific performance against the defaulting party. In addition, the successful party in any action brought to enforce this agreement shall be entitled to costs and reasonable attorney's fees as determined by the Court.

In the event of default and upon receipt of written notice clearly stating the default, Cattle Country Video shall deliver the balance of the down payment to the non-defaulting party or in the event of a dispute concerning the performance of either party, Cattle Country Video may deposit the down payment into an interest bearing account located at Pinnacle Bank, Torrington, WY and shall place both parties names on the account which shall require a signature from both parties to remove any of the money. Upon payment of the down payment as provided for in this paragraph, Cattle Country Video, its members, employees and representatives shall be released from any further liability and have no other obligations to either party. The parties understand and agree that Cattle Country Video does not guarantee to either party and is not a "Party" to this Agreement. The parties further understand and agree that all warranties either expressed or implied are between the parties.

The parties both agree that after payment of the money as described in this provision, they release Cattle Country Video, its representatives, members and employees from all responsibility for any default by either party. In no event shall Cattle Country Video be liable for lost profits or any special, incidental consequential damages however arising.

CCV Cattle Country Video will have a representative present at all shipments.

CCV Inspection & Warranties: Seller shall deliver within 5% of the above stated number of livestock, exclusive of any stags, cripples, blind, locoed, lump-jawed or otherwise unmerchantable livestock that are not as described above.

CCV There are no warranties beyond what is expressly set forth in this contract. Seller & CCV representative, warrant that Seller has good and marketable title to the livestock and that the livestock will be delivered free from all security interests, liens or encumbrances. If said cattle are subject to a lien, security interests or chattel mortgage lien will be satisfied by Seller at delivery.

CCV All cattle will be weighed on a certified scale, if cattle are weighed on the ground at shipping point, any cuts that are made will be made after cattle are weighed. Cuts will be weighed back. (This does not apply to cattle weighed on a truck!)

CCV All cattle will be sold on a sliding scale. Slide increases 2 cents if pay weight exceeds base weight 35# or more. Slide on: at 35# window under base weight.

CCV All cattle are sold FOB shipping point. Losses resulting from transit shall be buyer's liability. Freight rates are not guaranteed by CCV or seller.

CCV No freight adjustment will be given on cattle that weigh below the estimated base weight if merchantable head count is within 5% of contracted head count.

CCV This is a load lot sale. A load of cattle is 42,000 net weight or greater unless otherwise stated.

CCV Ship dates will be set at reps option unless otherwise stated.

CCV All percentages used to describe color are approximate and used for description only.

CCV Seller shall furnish to Buyer any brand and health certificates required by Federal and State law and all affidavits pertaining to the contract. Buyer is responsible for notifying CCV or representative when health certificates are needed. If additional certificates are required for delivery to another state, they shall be provided at the Buyers expense.

CCV Seller agrees that the remaining balance, less commission due to CCV representative, &/or any necessary adjustments, &/or lawful charges, shall be paid at the time of delivery by CCV representative.

CCV Cattle Country Video is a production company only and assumes no financial responsibility for cattle represented in our video sales. That responsibility rests with the auction yard or dealer representing the cattle for sale at time of delivery.

CCV Cattle Country Video cannot guarantee the "First Born Date" needed for "Back Verification" on age and source verified cattle. Buyer can obtain necessary calving information from the age and source provider prior to purchasing cattle. Cattle Country Video cannot guarantee the availability of information or data from age and source providers.

CCV This contract contains the entire agreement between Seller and Buyer.

CCV Seller shall handle livestock in their normal and usual manner until delivery, unless otherwise expressly agreed in writing.

Cattle Country Video

VACC PROGRAM

CCV²⁴ (Calves vaccinated at branding)
IBR-PI3-BVD-BRSV (Modified live or chemically altered only)
Clostridial 7-Way
Pasteurella haemolytica and/or Multocida
