Producer Confirmation of Understanding of Five Rivers Natural Program Requirements

I, _____, acknowledge that I have reviewed a copy of the Five Rivers Natural Producer Manual.

This Manual is available online at <https://fiveriverscattle.com/pages/selldirect/default.aspx>

Hard copy is also available upon request.

I have reviewed these standards and understand that if for any reason my operation is not in full compliance; my cattle may be ineligible for the Five Rivers Natural program until corrective actions have been made.

To ensure this, I understand a representative from Five Rivers Natural and/or approved 3rd party may visit my operation to confirm compliance.

I agree, to the best of my ability, to raise cattle while under my direct control in compliance with the requirements laid out by the Five Rivers Natural Program.

Klute Investments

The undersigned certifies the following:

These Angus/Angus cross or multi-breed cattle have been raised from birth in a humane manner, using no antibiotics, no hormones, or growth stimulants, and that all animals receiving medication have been identified and removed from the program. These cattle, delivered to Klute Investment Services, Inc. are here by verified by the Rancher/Owner to be between 16 and 18 months of age or less.

In addition, the feeds used in the production of these animals did not contain antibiotics, animal by-products, ionophores or growth hormones. The market we are supplying demands high quality beef raised and fed without the use of artificial growth stimulants or antibiotics. We are committed to supplying this market with source verified All Natural Cattle.

Cattle represented by this document have never been administered antibiotics (injected or fed therapeutic or sub-therapeutic), ionophores (Rumensin and/or Bovatec); Beta-Agonists (Optaflex, Zilmax) supplemental hormones or growth promoting implants or fed animal by-products.

Cattle represented by this document have been handled and cared for according to National Beefs Animal Welfare Policies for Natural Beef, fed an all vegetarian diet for the life of the cattle and born and raised in the United States.

Cattle represented by this document have no evidence of Brahman and Dairv influence.

Breeds of cattle documented on this affidavit as Black Angus or Black Angus cross have, at minimum, 50% Black Angus genetics and meets Black Angus Phenotype.

Breeds of cattle documented on this affidavit as Red Angus or Red Angus cross have, at minimum, 50% Red Angus genetics and meets Red Angus Phenotype.

The above information is complete and accurate. I understand that this documentation is part of National Beef's Nature Source Natural Beef Programs and I have adequate records to support the above information. I agree to keep all records supporting this affidavit and this affidavit on file for a minimum of 1 year. I understand that my operations and documents may be audited by National Beef.
