

Robbins and Robbins, L.L.P.  
PO Box 17004  
Missoula, Mt 59808  
406-549-1466 406-728-1174(Fax)

The undersigned certifies the following:

These Angus / Angus cross cattle have been raised from birth in a humane manner, using no antibiotics, no hormones, or growth stimulants, and that all animals receiving medication have been identified and removed from the program. These cattle, delivered to Robbins and Robbins, L.L.P. are hereby verified by the Rancher/Owner to be less than 16 months of age.

In addition, the feeds used in the production of these animals did not contain antibiotics, animal by-products, ionophores or growth hormones. The market we are supplying demands high quality beef raised and fed without the use of artificial growth stimulants or antibiotics. We are committed to supplying this market with source verified All Natural Cattle.
