**Producer Confirmation of Understanding of JBS Five Rivers Natural Program Requirements**

I, \_\_\_\_\_, acknowledge that I have reviewed a copy of the JBS Five Rivers Natural Producer Manual.

This Manual is available online at <https://fiveriverscattle.com/pages/selldirect/default.aspx>

Hard copy is also available upon request.

I have reviewed these standards and understand that if for any reason my operation is not in full compliance; my cattle may be ineligible for the JBS Fiver Rivers Natural program until corrective actions have been made.

To ensure this, I understand a representative from JBS Five Rivers Natural and/or approved 3<sup>rd</sup> party may visit my operation to confirm compliance.

I agree, to the best of my ability, to raise cattle while under my direct control in compliance with the requirements laid out by the JBS Five Rivers Natural Program.
