

**Rep Sales-All Classes/Bred Cow Special
Monday December 19th, 2022
1731 Head Sold**

USDA Report: Compared to last week; all classes of bred females sold cheaper with the exception of a young complete dispersal cow selling steady to last week. Most of the Bred Females with the exception of a few lots going out of state. A large winter storm coming to the area left many open seats and not much action from the internet. Also the Feeder Special for Wednesday has been moved to Friday the 16th and all classes of cows and bulls will sell Monday the 19th. Again a large winter storm causing the market to be softer on all classes of bred this week. Supply included: 28% Slaughter Cattle (100% Cows); 72% Replacement Cattle (87% Bred Cows, 13% Bred Heifers).
