

**Rep Sales-Bred Cow Special
Monday December 5th, 2022
1587 Head Sold**

USDA Report: No trend this week as there was not a Bred Cow Special last week. Overall a nice offering with a lighter test on Bred Heifers but still an active market for load lots and package trade. Young and Aged cows also selling well with only a few Partial Dispersals this week. A nice offering of 2 and 3 year olds which brought a lot of interest with the main load lot topping the market for this fall. There is another Bred Cow Special next Monday the 12th with Several Complete Dispersals through the barn and on Cattle Country Video. Supply included: 100% Replacement Cattle (75% Bred Cows, 25% Bred Heifers).
