

**Rep Sales-Bred Cow Special
Monday November 21st, 2022
2179 Head Sold**

USDA Report: Compared to last week; another long string of reputation bred heifers with a higher market then last week. A few more small complete dispersals, but over all a less active market with young to aged cows selling lower than last week. Normal calving bred heifers from a reputation ranch topped the market today with lots of bidding from the seats and the internet. Next Bred Cow Special will be in two weeks as there will not be a sale next Monday. No sales the rest of the week at Torrington Livestock. Happy Thanksgiving. Supply included: 100% Replacement Cattle (71% Bred Cows, 29% Bred Heifers).
