

Rep Sales-Feeder Special
Wednesday April 12th, 2023
2319 Head Sold

Compared to last Friday; steer calves traded steady to 2.00 higher. Heifer calves traded 4.00 to 7.00 higher. A nice run of all classes of feeder cattle with yet again very active market from package trade to load lots. Very warm weather in the area and green grass starting show has grass cattle at a premium. Sale again next Wednesday. Supply included: 100% Feeder Cattle (52% Steers, 48% Heifers). Feeder cattle supply over 600 lbs was 73%.
