USDA: Compared to last week; steers and heifers traded 3.00 to 5.00 higher on comparable trades to last week. Lots of nice strings of feeders today with several load lots and package trade. A smaller offering of grass type cattle today but a strong market with moisture in the area keeping the market moving upward. Sale again next Wednesday. Supply included: 100% Feeder Cattle (48% Steers, 52% Heifers). Feeder cattle supply over 600 lbs was 66%.
