

**Rep Sales-Feeder Special**  
**Friday April 7<sup>th</sup>, 2023**  
**2402 Head Sold**

Compared to last week; slaughter and feeder cows traded 3.00 higher with instances 10.00 higher on a lighter run than last week. On comparable trades. Slaughter bulls traded sharply higher also on a limited test. Due to the weather in the area this week the Wednesday feeder special was moved to today also. A nice offering today of feeder cattle with most all classes selling sharply higher than last week. A very active market from the internet to the seats. Also today a nice offering of Bred cows with a sharply higher market on middle aged to aged cows compared to two weeks ago. Recent moisture in the area and warm weather on the way lead to a packed house with all classes being in high demand. Supply included: 50% Feeder Cattle (52% Steers, 48% Heifers); 13% Slaughter Cattle (88% Cows, 12% Bulls); 36% Replacement Cattle (8% Stock Cows, 92% Bred Cows). Feeder cattle supply over 600 lbs was 89%.
