

**Rep Sales-All Classes**  
**Friday January 6<sup>th</sup>, 2023**  
**762 Head Sold**

No trend as this was the first Friday sale of the new year. Higher undertones noted on a short run of slaughter and feeder cows, with very few cows returning to the country. A very short run of slaughter bulls but also higher undertones noted. Supply included: 75% Slaughter Cattle (97% Cows, 3% Bulls); 25% Replacement Cattle (100% Stock Cows).
