Torrington Livestock Markets

10-11-23 MARKET REPORT 3752 Sold

Market Selection

Supply included: 100% Feeder Cattle (43% Steers, 57% Heifers). Feeder cattle supply over 600 lbs was 76%.

Market Trends

Compared to last week; yearling steers and heifers traded 2.00 to 4.00 lower. No real test on calves this week with most of the offering trading steady to last week the exception of a long string of reputation steer calves selling sharply higher than last week.

Market Drivers

Nice offering with several lots of feeder cattle and lighter run on bawling calves. Sale again next Wednesday.
