

Sale Date: **Wednesday, February 4, 2026**

Sale: **Feeder Special**

Head Sold: **4501**

Compared to last week; feeder steers and heifers traded mostly steady on comparable trades with the exception of fly weight steers trading 10.00 to 15.00 higher. A nice offering today with several strings of replacement type heifers from reputation ranches. A very active market again this week on load lots and package trade. Lots of quality with several strings of nice cattle. Sale again next Wednesday. Supply
