Sale: **Feeder Special**

Head Sold: **2644**

Compared to last week; no trend on feeder steers and there was not enough receipts. Feeder heifers traded mostly steady with a few instances 5.00 higher on thin fleshed heifers. A nice offering with the majority being package trade through out the day. Much needed moisture around the area throughout the day. Sale again in two weeks. Supply included: 100% Feeder Cattle (22% Steers, 78% Heifers).
