Sale: **Calf Special** Head Sold: **3973**

No trend this week as this was the first Monday Calf Special of the fall run. A nice offering today with a few load lots but mainly package trade throughout the day. Half of the offering today consisted of calves with spring and fall shots with the balance just shots at branding. All of the offering today were calves right off the cow. A nice crowd on hand with moderate bidding throughout most of the day with the crowd growing shorter later in the day. Calf Special again next Monday. Supply included: 100% Feeder Cattle (63% Steers, 37% Heifers). Feeder cattle supply
