Sale: **Feeder Special** Head Sold: **3450**

Compared to last week; no test on yearling steers but yearlings heifers traded 6.00 higher with several load lots of 7 weight heifers. Steer and heifer calves traded mostly 3.00 to 9.00 higher. Mostly package trade today with the majority of the bidding coming from the seats with very little internet action. Half of the offering of calves today carrying both spring and fall shots with the balance just having spring shots. Active bidding all day from the seats. Sale again next Wednesday. Supply included: 100% Feeder Cattle
