Sale: **Feeder Special** Head Sold: **4734**

Compared to last week; no test again on yearling steers but yearling heifers traded steady to 3.00 higher. Steer calves traded 3.00 to 7.00 lower and heifer calves mostly steady to 2.00 lower. Overall a nice offering with most of the calves right off the cow carrying both spring and fall shots. A few load lots and partial loads but mainly package trade. Active bidding early in the day with most buyers backing off later in the day. Sale again next Wednesday. Supply included: 100% Feeder Cattle (48% Steers, 52% Heifers). Feeder cattle supply over 600 lbs was 32%.
